APEX: SHADOW — One-Pager 🎬
APEX: SHADOW
Genre: Sci-Fi Action Thriller
Format: Feature Film | 110 min
Written by: Marouf Soufiane
LOGLINE:
When an 18-year-old tech prodigy discovers the world's most powerful CEO murdered his father to steal his AI invention, he infiltrates the empire from within — and uses their own technology to bring them down.
THE STORY:
Tom is invisible. A high-school dropout delivering mail in the towers of APEX Corp — the trillion-dollar AI conglomerate that runs the world. But Tom has a photographic memory, a dead father, and a secret.
When he discovers a hidden file proving APEX's CEO Elias murdered his father 18 years ago to steal his greatest invention — an AI with a soul, called SHADOW — Tom doesn't run.
He builds.
By night, Tom assembles his father's stolen technology piece by piece into a sentient exo-suit. By day, he becomes Elias's most trusted assistant — his witness.
When Elias finally comes for him, Tom is ready.
He doesn't just fight back.
He delivers the final invoice.
WHY NOW:
In a world obsessed with AI, APEX: SHADOW asks the only question that matters — who owns the future?
A story of a son, a stolen legacy, and a machine that carries a father's soul.
VISUAL TONE:
The Dark Knight meets Ex Machina.
Gritty. Real. Inevitable.
